2. Dividend:

Your Directors are pleased to recommend a Final Dividend of Rs. 2.50 per equity share of face value of Rs. 5/- each for the year ended 31st March, 2019, subject to the approval of Members at the ensuing Annual General

Meeting. The Interim Dividend of Rs.2/- per equity share for the year was recommended at the Board Meeting held on 05.11.2018 and paid in November, 2018.

3. Operations:

Your Company has performed well during the year under review. Our Production and Sales during the year are higher than last year. Volatility in the rate of our primary input, Copper, and in Rs./USD continued. Demand from Electrical Equipment sector was good during the first nine months of the Year. But, during fourth quarter, New Business moderated with liquidity tightening in the market, and challenging economic environment has emerged. Consumers, at present, appear to be waiting for stable condition to return. Capital Goods Sector has recorded contractions in new business. Auto Electricals, Air-conditioning and Refrigeration, Power Transformers, FMCG Sectors, amongst others, witnessed demand-recession.

After completion of civil works, during the year under review, for Unit 5 Expansion, all indigenous and some imported equipments have been commissioned and production has commenced. The remaining imported equipments will be commissioned by about end of June 2019.

Tuticorin Plant of one of our major supplier of input, M/s. Vedanta Limited, remained closed for the Year under review. However your company arranged the requirement from alternate sources.

Our Exports are lower during the year due to severe competition and Custom Duty Tariff discrimination.

Though GST could be beneficial for the Industry, Trade and the Country, it is hoped that the Government will continue to simplify the rules further for ease of doing business.

F.Y. 2019-20 is Election-year and manufacturing sector's performance may improve in the second half of the year. It is expected that our Government may announce policy - changes so as to spur the growth of Industries in general and in particular for Sectors such as Infrastructure, Power, Auto, FMCG, Manufacturing and fiscal.

There are no material changes and commitments affecting the financial position of the Company which have occurred between the end of the financial year to which the financial statements relate and the date of the report;

Bank of Baroda has agreed to share the charge on the assets of the Company with ICICI Bank. In the meantime, as an interim measure, the Company availed a short term Loan of Rs. 10 Cr. (Rupees Ten Crores) from a Director at a competitive rate of interest and the same was repaid in time before due date during the year under review. The said Loan is given out of the own funds of the Director.

Per Capita consumption of Electrical Power has gone up during the last Five Years or so by more than 30%. All the villages in the Country are now electrified. Also, construction of new Highways/Roads, more than 1000 km/month, is in progress. This will further improve better connectivity and spur development. The Demand of Electrical Appliances, Auto-Sector, Air Conditioning, Refrigeration and Electrical Equipment will go up. The prospects for our Industry, is therefore good. Growth in the Power Sector is likely to remain high.

Your Company has been performing consistently well, and is continuously a dividend-paying company with low debt gearing and is the market leader. We have discharged all our fiscal obligations on time, without delay or default.

DIRECTORS' REPORT

Briefly stated, as under, the financial performance of your Company for year under review is good. (Rs./Lakh):

The PBDIT is 9452.27 (8736.39); due to implementation of Unit 5 expansion project and hardening of interest rate resulting to Finance Cost increased to 1711.91 (1520.27); Depreciation 1278.80 (1406.99); PBT 6461.56 (5809.13); Provision for Tax 2278.84 (2210.86); PAT 4182.72 (3598.27); Total Comprehensive Income for the period 4146.92 (3560.27) is higher than previous year. Our comparative Reserves and Surplus (excluding Revaluation) has improved substantially 25387 (22495). Our important operating ratios are healthy.

4. Extract of Annual Return:

The details forming part of the extract of the Annual Return in Form MGT-9, as required under Section 92 of the Companies Act, 2013, is included in this Report as Annexure - A and forms an integral part of this Report.

@ Represent Commission for the financial year ended 31st March, 2019 which will be paid, subject to deduction of tax after adoption of the accounts by the shareholders at the Annual General Meeting.

Remuneration (Gross) includes Salary, Commission, taxable value of perquisites, Company's contribution to Provident Fund and excludes provision for the year for Retirement Gratuity in case of Shri Mahendra R. Mehta and Shri Milan M. Mehta, Managing Directors, who each beneficially own more than 5% of the Paid-up Share Capital of the Company, and are ineligible on this ground for entitlement to retirement gratuity payment through the Trust created. Gratuity provisions in the current year, therefore has been made at Rs.1,74,231/- for Shri Mahendra R. Mehta and *Rs 53,90,948 for Shri Milan M. Mehta. Shri Deepak M. Mehta is entitled for payment of gratuity through the Trust but since a separate computation of gratuity liability for the year is not available from actuarial valuation in this regard, the same has not been included in the gross remuneration.

* Till FY 2016-17, the provision of gratuity to Directors (who are not eligible through LIC Fund) was made for 15 days for every year served. However, since the applicability of Indian Accounting Standard to the Company w.e.f. 31/03/2018, the provision towards gratuity to such Directors is made in the Audited Accounts, as per the actuarial valuation received from the certified actuary. Therefore, since the provision amount of Gratuity liability made till 31/03/2017 was more than the Actuarial Valuation, in case of Shri Milan Mehta, there was a reversal of the provision made earlier for FY 2017-18.

However, during the FY 2018-19, due to revision in the salary of Shri Milan Mehta, the gratuity provision was revised accordingly.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2019**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members

PRECISION WIRES INDIA LIMITED

Saiman House, J A Raul Street, Off Sayani Road,
Prabhadevi, Mumbai 400025.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **PRECISION WIRES INDIA LIMITED (CIN: L31300MH1989PLC054356)** (hereinafter called the Company) for the year ended on March 31, 2019. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2019 (Audit Period) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended March 31, 2019 according to the provisions of:

MANAGEMENT DISCUSSION & ANALYSIS

a) Industry Structure & Development:

The Company produces Winding Wires made of Copper which are used in the manufacture of both rotating and static electrical equipments. Though there are number of players in the Industry including many in SSI sector, due to quality of our products and long standing relationship with OEM customers, we continue to remain Industry-Leader.

Overall Installed Capacity in the Country has increased. Demand of our Product is good except Q4 of the year under review. Domestic Competition remains intense.

Our production has increased. Though GST is a dynamic statute, it is hoped that the Government will simplify the rules.

One of our major Domestic manufacturers, of the Primary Input, Copper, Vedanta Limited remained closed during the Year. However, the Company has procured the same from alternate sources.

Emphasis on export continues, though tariff discrimination by some important Importing Countries is not helpful.

Your Company continues to cater primarily to the OEM sector.

The Industry expects favorable initiative from the Government during the second half of 2019-20. Tariff dispute between U.S. & China may affect pattern of World Trade in case, if it last longer.

Though, interest rates have stabilized, liberal availability of funds may depend upon fiscal policy of the Government.

b) Opportunities & Threats

Per Capita consumption of Electrical Power has gone up during the last about Five Years by more than 30%. All the villages in the Country are now electrified. Also, construction of new Highways / Roads, more than 1000 km / month, is in progress. This will further improve better connectivity and spur development in rural areas. The Demand of Electrical Appliances, Auto-Sector, Air conditioning, Refrigeration and Electrical Equipment will go up in due course. Growth in the Power Sector is likely to remain high. Long term prospects for our Industry, is therefore good.

High Oil prices, volatility in Commodity/Foreign Exchange rates, increase in Current Account Deficit and recession may affect the growth. As banking Sector is under stress, alternate sources of Capital at competitive rates of interest may be required. Some basic reforms in Industrial Dispute Act are overdue.

Electrical Equipment Industry may be in a position to provide push to the exports, if level playing field sans tariff discrimination is available. Competition may continue to be intense but due to our Low debt gearing Ratio and experience in the Industry, we look forward to perform well, barring any unforeseen developments.

c) Segment-wise or Product-wise performance:

The Company's core activity is production and sale of only one product i.e. Winding Wires made of Copper. We have maintained and increased overall production and Sales. Both PBDIT and PAT for the year are more.

Our insulating varnish division at Palej continues to operate satisfactorily and provides important contribution to the quality of our finished product.

d) Outlook:

Long Term outlook of the Indian Economy, and consequently, electric-power-sector is healthy.

e) Risks and concerns:

Please refer to foregoing paragraphs.

f) Internal control systems and their adequacy:

Commensurate with the size of your Company and the nature of its business, your Company has adequate internal control procedures and regular Internal Audit systems. This has been confirmed by the Auditors in their report to the members.

g) Discussion on Financial Performance with respect to Operational performance (All figures rounded off in Rupees Lakhs only): (Previous Year's figures restated as per Ind AS):

During last Ten Years, your Company has paid average about 64% Dividend. Reserve and surplus (excluding revaluation) has increased to 25387 (22495).

Our key operating ratios are healthy. Debt Equity ratio for the year under review is about 0.09 [0.14] and current ratio is about 1.55 [1.52].

Power and fuel 2434 [1836] has gone up due to increase in tariff and levy by Discom. Freight and Transportation 1335 [1232] and Packing material 955 [852] increased due to higher production and more sales than the previous year. Increase in finance cost 1712 [1520] is due to borrowing for implementation of Unit 5 Expansion Project. Employees Benefit Expenses 2576 [2273] is due to additional Manpower for Unit 5 Expansion Project, regular increase in the salary and higher amount of Remuneration / commission to Executive Directors. Trade Receivable 29642 [25433] and Trade Payables 26741 [23951] are higher due to more production and higher Revenue from Operation 175789 [144939]. Long Term Borrowings 1800 [0.00] is due to borrowing for funding Capital Equipment for above Project. Increase in Other Current Liabilities 2677 [1329], is due to more Creditors for Capital Goods and Packing Credit for Exports.

Total Dividend for the Year under review recommended is 90% (Rs. 4.50 per fully paid Equity Share of Rs. 5/- each), subject to the approval of the Shareholders at the ensuing AGM. Interim Dividend for the year @ 40% was recommended and paid. Total Dividend declared during the year under review is Rs. 4.50 i.e. 90% per fully paid up Equity Share of Rs. 5/- each.

Your Company's financial performance is satisfactory and profit during the year is higher.

Your Company has discharged all financial obligations in time on due dates, without any default or delay.

h) Material Developments in Human Resources / Industrial Relations including number of people employed:

Industrial relations during the year were generally satisfactory.

i) Cautionary Statements:

Statements in this Management Discussion and Analysis describing the company objectives, estimates and expectations may be Forward Looking statements within the meaning of applicable laws, and regulations. Actual performance may differ substantially or materially from those expressed or implied.

Precision Wires India Ltd.

Opinion

I have audited the accompanying standalone financial statements of PRECISION WIRES INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

In my opinion and to the best of my information and according to the explanations given to me,

- i) the Statement, together with the notes thereon are presented in the format prescribed under Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- ii) the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

I conducted my audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. My responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of my report. I am independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and I have fulfilled my other ethical responsibilities in accordance with the provisions of the Act. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis of my opinion.

Key Audit Matters**Assessment of Recoverability of Trade Receivables**

The aggregate Trade Receivables as at 31st March, 2019 were Rs.29,543.86 lakhs which constitute approx. 50.09% of the Gross Assets of the Company.

The Company reviews the recoverability of the Trade Receivables periodically including at the Balance Sheet Date. Receivables which are not expected to be recovered are written off as Bad Debts. In addition to the Bad Debts written off, provisions made in the Accounts for Expected Credit Loss based on past record of irrecoverable Trade Receivables.

How the Audit addressed the Key Audit matters

The audit procedures included, amongst others, review of age analysis of Trade Receivables, review of Trade Receivables overdue by more than a certain period, discussion with management of the reasons for such overdue trade receivables and the efforts made for recovery of the same.

The audit procedures also include, checking recovery of Trade Receivables as at Balance Sheet Date, subsequently, up to the date of the audit.

I have considered this to be a key audit matter as the amount of Trade Receivables are mostly unsecured and constitute the largest component of the Balance Sheet and therefore have a significant impact on the financial position of the Company.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and my auditor's report thereon.

My opinion on the standalone Ind AS financial statement does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the standalone Ind AS financial statements, my responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

My objective is to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

INDEPENDENT AUDITOR'S REPORT

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. Also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, I give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

A. As required by Section 143(3) of the Act, based on my audit I report that:

- a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of our audit.
- b) in my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books.
- c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) in my opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- e) on the basis of the written representations received from the directors of the Company as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to my separate Report in "Annexure B". My report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In my opinion and according to the information and explanations given to me, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by me.

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in my opinion and to the best of my information and according to the explanations given to me:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE - A TO INDEPENDENT AUDITOR'S REPORT

With reference to the Annexure A of the Independent Auditors' Report or even date to the members of Precision Wires India Ltd. on the financial statements for the year ended March 31, 2019.

- (i) a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in my opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and I am informed that no material discrepancies have been noticed on such verification.
- c) The title deeds of Immovable properties, as disclosed in note on the Fixed Assets to the financial statements, are held in the name of the Company.
- (ii) The physical verification of inventory has been conducted at reasonable intervals by the Management during the years except in respect of inventories of returnable plastic spools lying with customers. In my opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with in the books of accounts.
- (iii) a) The Company has not granted any loans, secured or unsecured to companies, firms or other parties listed in the register maintained under Section 189 of the Act.
- b) As the Company has not granted any loans, secured or unsecured, to parties referred to in para (a) above, clause iii (a) of paragraph 4 of the Order is not applicable in this respect.
- c) As the Company has not granted any loans, secured or unsecured, to parties referred to in para (a) above, clause iii (b) of paragraph 4 of the Order is not applicable in this respect.
- d) As the Company has not granted any loans, secured or unsecured, to parties referred to in para (a) above, clause iii(c) of paragraph 4 of the Order is not applicable in this respect.
- (iv) In my opinion and according to the information and explanations given to me, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the investments made.
- (v) The Company has not accepted any deposits from the public within the meaning of Sections 73 and 74 of the Act and the Rules framed there under. Hence the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under, are not applicable to the Company. According to the information and explanations given to me, no order under the aforesaid sections has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- (vi) Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148 (1) of the Act in respect of its products. I have broadly reviewed the same, and, am of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. I have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) a) According to the information and explanations given to me and the records of the Company examined by me, in my opinion, the Company is generally regular in depositing the undisputed statutory dues in respect of Goods and Service Tax, sales tax including value

added tax, provident fund, employees' state insurance, income tax, service tax, duty of customs, duty of excise, cess and other material statutory dues, as applicable, with the appropriate authorities.

- b) According to the information and explanations given to me and the records of the Company examined by me, the particulars of dues of sales-tax including value added tax, duty of customs and duty of excise as at March 31, 2019 which have not been deposited on account of a dispute, are as follows:-

Nature of the Statute	Nature of Dues	Amount (Rs.)	Period to which the Amount relates	Forum where disputes are pending
Central Excise Act	Excise Duty	4,55,000/-	1983-1984	CESTAT, Delhi
Central Excise Act	Excise Duty	5,00,000/-	2004-2005 & 2005-2006	CESTAT, Ahmedabad

- (viii) According to the records of the Company examined by me and the information and explanation given to me, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.
- (ix) In my opinion, and according to the information and explanations given to me, the term loans have been applied for the purposes for which they were obtained. No moneys were raised by way of initial public offer or further public offer (including debt instruments).
- (x) During the course of my examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given me, I have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have I been informed of any such case by the Management.
- (xi) The Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it; the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- (xiii) The Company has entered into transactions with related parties in compliance with the provision of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
- (xv) The Company has not entered into any non cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-1A of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

INDEPENDENT AUDITOR'S REPORT

ANNEXURE - B TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013.

I have audited the internal financial controls over financial reporting of Precision Wires India Limited ("the Company") as of 31st March 2019 in conjunction with my audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Purpose of Reserve :

- Securities Premium reserve is used to record the premium on issue of equity shares. The reserve is utilised in accordance with the provision of the Companies Act, 2013.
- The General Reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve is not reclassified subsequently to the Statement of Profit and Loss.
- Capital Redemption Reserve is used for issue of bonus shares.
- The retained earnings are used from time to time to transfer profits from retained earnings for appropriation purposes. The amount that can be distributed by the Company as dividends to its equity shareholders is determined as per the provisions of the Companies Act and the dividend distribution policy of the Company.

NOTE 27 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

A. COMPANY INFORMATION

Precision Wires India Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956 (CIN: L31300MH1989PLC054356) having its registered office at Saiman House, J A Raul Street, Off Sayani Road, Prabhadevi, Mumbai 400 025. The company is listed on the Bombay Stock Exchange Ltd. (BSE) and the National Stock Exchange of India Ltd. (NSE) in India. The company is engaged in manufacturing of Enamelled Round and Rectangular Copper Winding Wires, Continuously Transposed Conductor (CTC) and Paper/Mica/Nomex Insulated Copper Conductors (PICC) which are used by the electrical/electronics industries.

B. SIGNIFICANT ACCOUNTING POLICIES

1. Statement of Compliance with Ind AS :

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by the Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and Companies (Indian Accounting Standards) Amendment Rules, 2017 and Companies (Indian Accounting Standards) Amendment Rules, 2018.

The Financial Statement of Company have been prepared to comply with the Indian Accounting Standards (Ind AS), including the Rules notified under the relevant provision of the act.

2. Basis of Preparation of Financial Statements :

The Financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Schedule III to the Companies Act, 2013. Based on the nature of the products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current classification of assets and liabilities as current or non-current.

3. Use of Estimates :

The preparation of financial statements in conformity with Ind AS requires the management of the Company to make estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. These estimates are based upon management's best knowledge of current events and actions. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

4. Property, Plant and Equipments:

(i) Property, Plant and Equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

(ii) The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy.

(iii) Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

(iv) Property, plant and equipment which are not ready for intended use as on date of Balance Sheet are disclosed as 'Capital Work-in Progress'.

(v) Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 :

The management estimates the useful life of certain assets as follows:

Wire Enamelling Machines	08 years
Other Plant and Machinery	15 years
Building	30 years
Office Equipments	05 years
Computers	03 years
Furniture and Fixtures	05 years

Freehold land is not depreciated.

Assets Costing Rs. 5000 or less are fully depreciated in the year of purchase.

(vi) Depreciation on additions to assets or on sale of assets as the case may be is calculated pro-rata from the month of such addition or up to the month of such sale.

(vii) Assets scrapped / discarded from use and held for disposal, if any, are stated at lower of book value or their estimated net realisable value.

5. Intangible Assets :

Separately purchased Intangible assets are initially measured at cost. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their estimated useful lives.

The management estimates the useful life as follows :

Technology Transfer Cost : 6 Years

**NOTE 27 : SIGNIFICANT ACCOUNTING
POLICIES AND NOTES ON ACCOUNTS**

6. Impairment of Assets :

An asset is treated as impaired when the carrying cost of assets exceeds its estimated recoverable value. The recoverable amount is greater of the Fair Value less cost of disposal and Value in use, An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired assets over its remaining life.

7. Non-Current Assets held for Sale :

The Company classifies Non-Current Assets as held for sale of their carrying amounts will be recovered principally through a sale rather than through continuing use of the assets and actions required to complete such sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-Current Assets or disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Property, Plant and Equipment and intangible assets are not depreciated or amortised once classified as held for sale.

8. Financial Instruments:**Investments**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Financial assets subsequently classified as measured at

Amortised Cost

fair value through profit and loss (FVPTL)

fair value thorough other comprehensive income (FVOCI)

All Investment in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

9. Trade Receivables :

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

Loss allowance for expected life time credit loss is recognised on initial recognition through Profit and Loss Account.

10. Cash and cash Equivalents :

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

11. Inventories :

(i) Inventories are valued on FIFO basis at lower of cost or estimated net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at cost or above cost.

(ii) Cost of Work in progress includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.

(iii) Cost of finished goods and work in progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

(iv) Scrap is valued at Net Realisable Value.

12. Financial Liabilities :

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

13. Provisions, Contingent Liabilities and Contingent Assets :

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are neither disclosed nor recognised.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet Date.

NOTE 27 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

14. Taxes on Income :

Income Tax Expense Comprises of Current Tax and Deferred Tax.

(i) Current Taxes :

It is recognised in the Statement of Profit and Loss except to the extent it relates to an item which is recognised directly in equity or in other comprehensive income. Current tax is the expected tax payable/receivable on the taxable income / loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years, income / expenses and penalties, if any, related to income tax are included in current tax expense.

(ii) Deferred Taxes :

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

15. Revenue Recognition :

The Company earns revenue primarily from sale of products. The Company has applied the Ind AS 115 on Revenue Recognition which has become effective from 1st April, 2018. The application of this standard does not have any significant impact on the retained earnings as at 1st April, 2018 or on these financial statements.

(i) Sale of Products :

Revenues are recognised when the Company satisfies the performance obligation by transferring a product to the customer. A product is transferred when the customer obtains control of that product, which is at the point of transfer of custody to customers where usually the title is passed, provided that the contract price is fixed or determinable and collectability of the receivable is reasonably assured.

Revenue is measured at the transaction price of the consideration received or receivable and represents amounts receivable for goods provided in the normal course of business, net of discounts, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government. Any retrospective revision in prices is accounted for in the year of such revision.

(ii) Interest Income :

Interest income is recognised on time proportion basis.

(iii) Other Income :

- (a) Dividend : Dividend on Investments is accounted when received.
- (b) Insurance Claim : Insurance claim receivable is recognised in the year of the loss to the extent ascertainable.
- (c) Any Other Income is recognised in the Statement of Profit and Loss Account as and when accrued.
- (d) In cases where duty paid material are consumed prior to duty free import of material for manufacture of products for export, the estimated excess cost of such material over that of duty free material is carried forward and charged to revenue on consumption of such duty free materials.

16. Expenditure :

Expenditure are generally accounted on accrual basis as they are earned or incurred, except those with significant uncertainties.

17. Employee Benefits :

Defined Contribution Plans

Contributions to defined contribution schemes such as provident fund, etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Defined benefit plans

Defined Benefit plans comprising of gratuity are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Net interest on the net defined liability is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the statement of profit and loss.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (excluding net interest as defined above) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income in the period in which they occur. Remeasurements are not reclassified to profit and loss in subsequent periods.

The Company contributes all ascertained liabilities with respect to gratuity to Life Insurance Corporation of India (LIC).

The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

In respect of certain employees who are unfunded through the approved trust, the gratuity liability is provided as per the actuarial valuation.

Gain or loss on account of actuarial valuation is routed through other comprehensive income.

Short-term employee Benefits

Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised, undiscounted, during the period the employee renders services. These benefits include salary, wages, bonus, performance incentives etc.

**NOTE 27 : SIGNIFICANT ACCOUNTING
POLICIES AND NOTES ON ACCOUNTS**

Other long-term employee benefits

Other long-term employee benefit comprises of leave encashment towards un-availed leave and compensated absences; these are recognized based on the present value of defined obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted as current employee cost. The monetary value of leave encashment benefit is for the Factory Workers and is accounted on the basis of actuarial valuation.

The employees, other than factory workers are not permitted to carry forward their leaves beyond a period of one year and hence the liability if any arising on such employees would be of short term nature and shall be accounted on actual basis as and when paid.

18. Earnings Per Share :

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving the basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

19. Foreign Currency Transactions :

The financial statements are presented in INR, the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency').

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions, and from translation of monetary assets and liabilities at the reporting date exchange rates are recognised in the Statement of Profit and Loss.

Premium or discount on Foreign Exchange Forward Contracts are charged to the Profit and Loss Account alongwith gain / loss on forward cover contract.

20. Derivative Instruments and Hedge Accounting :

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. The method of recognising the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged.

The Company designates certain derivatives as either:

- (a) hedges of the fair value of recognised assets or liabilities or a firm commitment (fair value hedge); or
- (b) hedges of a particular risk associated with a recognised asset or liability or a highly probable forecast transaction (cash flow hedge).

The Company documents at the inception of the transaction the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategy for undertaking various hedging transactions. The Company also documents the nature of the risk being hedged and how the Company will assess whether the hedging relationship meets the hedge effectiveness requirements (including its analysis of the sources of hedge ineffectiveness and how it determines the hedge ratio).

The full fair value of a hedging derivative is classified as a non-current asset or liability when the residual maturity of the derivative is more than 12 months and as a current asset or liability when the residual maturity of the derivative is less than 12 months.

Fair value hedge

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recorded in the statement of profit and loss, together with any changes in the fair value of the hedged item that are attributable to the hedged risk.

Hedge accounting is discontinued when the Company revokes the hedging relationship, when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to the statement of profit and loss from that date.

21. Standards issued but not Effective :

On March 30, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 - Leases and certain amendments to the existing Ind AS. These amendments shall be applicable to the Company from April 01, 2019.

(a) Issue of Ind AS 116 - Leases

Ind AS 116 will affect primarily the accounting by lessees and will result in the recognition of almost all leases on balance sheet. The standard removes the current distinction between operating and finance leases and requires recognition of an asset (the right-of-use the leased item) and a financial liability to pay rentals for virtually all lease contracts.

The statement of profit and loss will also be affected because the total expense is typically higher in the earlier years of a lease and lower in later years. Additionally, operating expense will be replaced with interest and depreciation, so key metrics like EBITDA will change.

(b) Amendment to Existing Issued Ind AS.

- i. Ind AS 12 - Income Tax
- ii. Ind AS 19 - Employee Benefits
- iii. Ind AS 23 - Borrowing Costs
- iv. Ind AS 28 - Investments in Associates and Joint Venture
- v. Ind AS 103 - Business Combinations
- vi. Ind AS 109 - Financial Instruments
- vii. Ind AS 111 - Joint Arrangement

Application of the above standards are not expected to have any significant impact on the Company's Financial Statements.

**NOTE 27 : SIGNIFICANT ACCOUNTING
POLICIES AND NOTES ON ACCOUNTS**
22. Cash Flow Statement :

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

2. (G) Employee benefits :

In accordance with the stipulations of the Ind AS 19 "Employee Benefits", the disclosures of employee benefits as defined in the Indian Accounting Standard are given below:

a. Defined Contribution Plan :

The Company makes contribution towards Employee Provident Fund. The Company is required to contribute specified percentage of payroll cost.

The Company has recognised the following amounts in the Statement of Profit and Loss :

Particulars	(Amount in Rs. Lakhs)	
	For the year ended 31 st March, 2019	For the year ended 31 st March, 2018
Employers Contribution to Provident Fund	37.67	35.23
Employers Contribution to Employees Pension Scheme 1995	64.40	57.93
TOTAL	102.07	93.16

b. Defined Benefits Plan :
Gratuity :

15 days salary for each completed year of service. Vesting period is 5 years and the payment is at actual on superannuation, resignation, termination, disablement or on death. The liability for gratuity as above is recognised on the basis of actuarial valuation.

The Company makes contribution to LIC for gratuity benefits according to the Payment of Gratuity Act, 1972.

The Company recognizes the liability towards the gratuity at each Balance Sheet date.

The most recent actuarial valuation of the defined benefit obligation for gratuity was carried out at March 31, 2018 by an actuary. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Scheme is funded through LIC.

These plans typically expose the Company to actuarial Risks such as: Investment Risk, Mortality Risk, Concentration Risk, Salary Risk and Asset Liability Matching Risk.

Investment Risk	The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.
Interest Rate Risk	A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.
Mortality Risk	Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity Risk.
Salary Risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.
Concentration Risk	Plan is having a concentration Risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.
Asset Liability Matching Risk	The plan faces the ALM Risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM Risk.

The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	As At 31 st March, 2019	As At 31 st March, 2018
Mortality	Indian Assured Lives Mortality (2006-08) Ultimate	Indian Assured Lives Mortality (2006-08) Ultimate

NOTE 27 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS
C. NOTES TO ACCOUNTS (Contd.)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitive analysis, the present value of projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the Balance Sheet.

There was no change in the methods and assumptions used in preparing sensitivity analysis from prior years.

3. Derivative Instruments and Unhedged Foreign Exposures :

In respect of the import of raw materials and equipments, the Company used forward cover contracts to hedge its exposure to the movements in foreign currency exchange rates. Such forward covers are used to reduce the Risk which may result from foreign currency rates fluctuations and is not used by the company for trading or speculation purposes. The Company's activities exposes it to various Risk such as Market Risk, Liquidity Risk and Credit Risks. This section explains the Risks which the Company is exposed to and how it manages the Risks.

A. Market Risk

The Winding Wire business works on focusing on processing margins. The Risk of variation in purchase price of the input copper and sales price of Finished Goods, which is linked to the same international pricing benchmarks, is managed by entering into back to back transactions for input copper purchase against sales order booked. The aforesaid method is generally adopted for all sales transaction other than sale to Dealer market.

B. Foreign Currency Risk

The Company may also have Foreign Currency Exchange Risk on procurement of Capital Equipment(s) for its Businesses. The Company manages this Forex Risk, using derivatives, wherever required, to mitigate or eliminate the Risk. The Company may also have Foreign Currency Exchange Risk on Foreign Currency denominated Borrowings for its Businesses. The Company manages this Forex Risk, using derivatives, wherever required, to mitigate or eliminate the Risk.

C. Liquidity Risk

The Company determines its liquidity requirements in the short, medium and long term. This is done by drawing up cash forecast for short and medium term requirements and strategic financing plans for long term needs.

The Company manages its Liquidity Risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such Risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has arranged for diversified funding sources and adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a regular basis. Besides, it generally has certain undrawn credit facilities which can be accessed as and when required; such credit facilities are reviewed at regular intervals.

NOTE 27 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS
C. NOTES TO ACCOUNTS (Contd.)

The Company had access to the following undrawn borrowing facilities at the end of the reporting period: (Rs. in Lakhs)
