NOTICE TO THE MEMBERS

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESSES PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 ("Act")
Agenda Item No. 4:
To Amend the Articles of Association for Insertion of Clause- "Appointment of Chairman Emeritus"

Under Section 14 of the Companies Act, 2013 ("the Act"), the Board of Directors of a Company cannot, except with the consent of the Members in General Meeting, by a Special Resolution, amend the Articles of Association (AOA) of the Company.

It is therefore proposed to insert a new Article 124A in the Articles of Association after the existing Article 124 so as to include provision relating to appointment of any person who has rendered significant or distinguished services to the Company or to the Industry to which the Company's business relates or in the public field, as Appointment of Chairman Emeritus on the terms specified in this resolution.

Board Recommends the resolution set at Item No. 4 for approval of Shareholder.

None of the Directors/Key managerial personnel are financially or otherwise concerned or interested in the said special Resolution No.4.

Agenda Item No. 5:
Appointment of Shri Mahendra Ratilal Mehta as 'Chairman Emeritus'

Shri Mahendra Ratilal Mehta is a founder of the Company and has long experience in the Wire & Cable Industry, Engineering and Chemical Industry. With his initiative and zeal and due to his long experience, our Company is market-leader in the field in India.

Shri Mahendra Ratilal Mehta joined the Board of the Company as Promoter Director and rose to become the longest serving Chairman of the Company. He decided to stepdown from the position of 'Executive Chairman' and also Directorship of the Board due to advancing age w.e.f. 01st October, 2024, which the Board accepted at its meeting held on 18th May, 2024. The Board also placed on record the appreciation for valuable contribution made by Shri Mahendra Ratilal Mehta during his association with the Company.

Under Shri Mahendra Ratilal Mehta's leadership, the company transformed into a reputed growing and value creating organization by establishing long standing relationships across its wide spectrum of stakeholders with ethical standards and in pursuit of growth for all. Shri Mahendra Ratilal Mehta is also founder and ex-Chairman of the Winding Wires Manufacturers Association of India (WWMAI), ex-Member of the Executive Council of the Indian Electricals and Electronics Manufacturers Association (IEEMA), ex-Member of Central Liaison Committee, MMTC (Ministry of Commerce and Industry), etc.

In view of Shri Mahendra Ratilal Mehta's long stewardship of the Company through turbulent times, deep business insights, involvement in policy making and key decision making, the Board felt it useful to have Shri Mahendra Ratilal Mehta as an Advisor to the Company. The Board in its meeting held on 18th May, 2024 discussed the matter and requested Shri Mahendra Ratilal Mehta to act as an Advisor, Guide and Mentor to the Company, designated as 'Chairman Emeritus' to which Shri Mahendra Ratilal Mehta agreed. Being a related party transaction, the same has been also discussed and approved by the Audit Committee and the Board at their respective meetings held on 18th May, 2024 subject to approval of the members.

The scope of the advisory services to be provided by Shri Mahendra Ratilal Mehta shall include advising the Board and the Management with broad strategic aspects of the business, supporting in establishing and enabling relationships with external forums on policy matters and in brand/ image building of the Company apart from advising the Company's board on any other areas that the Board/ Management may seek his advice.

The Board hereby recommends the Resolution at Item No. 5 be passed as a Special Resolution.

Except Shri Milan M Mehta, Shri Deepak M Mehta, Sons, Shri Arjun Mehta, Shri Nirbhay Mehta, Grandsons, none of the Directors or Key Managerial Personnel (KMP) or relatives of Directors/KMPs are, financially or otherwise concerned or interested, in the said Special resolution No. 5.

Your Directors are pleased to recommend a Final Dividend of Rs. 0.45 paise (45%) per fully paid up equity share of face value of Rs. 1/- each for the year ended 31st March, 2024, subject to the approval of Members at the ensuing Annual General Meeting (AGM) of the Company.

The Two Interim Dividends at the rate of Rs. 0.30 paise (30%) each per fully paid up equity share for the year was recommended at the Board Meetings held on 8th November, 2023 and 8th February, 2024 paid in November, 2023 and February, 2024 respectively.

In view of the changes made under the Income-tax Act, 1961, by the Finance Act, 2020, dividends paid or distributed by the Company shall be taxable in the hands of the Shareholders. The Company shall, accordingly, make the payment of the final dividend after deduction of tax at source.

The dividend recommended is in accordance with the Dividend Distribution Policy of the Company. The Dividend Distribution Policy, in terms of Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") is available on the Company's website: <https://precisionwires.in/policies/>

Share Capital:

There was no change in the Share Capital structure of the Company during the Financial Year 2023-24.

Transfer to Reserve:

Rs. 6000.00 Lakhs Amount was transferred to General Reserve during the year.

INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

In accordance with the applicable provisions of Companies Act, 2013 read with Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), all unclaimed dividends are required to be transferred by the Company to the IEPF, after completion of seven (7) years. Further, according to IEPF Rules, the shares on which dividend has not been claimed by the shareholders for seven (7) consecutive years or more shall be transferred to the demat account of the IEPF Authority. The details relating to amount of dividend transferred to the IEPF and corresponding shares on which dividends were unclaimed for seven (7) consecutive years, are provided on the website of the Company www.precisionwires.in

During the financial year 2023-24, the Company has transferred 48650 equity shares to Investor Education and Protection Fund (IEPF).

3. OPERATIONS:

During the year under review, there was normalcy in terms of Production and Sales.

There was some volatility in the Copper Price and Exchange rates during the year under review. In terms of USD per MT, the Average Copper Prices in FY 2023-24 were slightly lower as compared FY 2022-23. The rupee weakened by about 3% on average during the year under review compared to the preceding year. Overall average Copper prices in Indian rupees during the year under review were almost the same as the preceding year.

As matter of policy and safeguard, so as to avoid market risk, your Company generally enters into back-to-back transaction for purchase of copper against the sales orders of finished goods received.

During the year under review our Production, Sales and Revenue from Operations were higher compared to preceding year.

Exports were satisfactory during the year despite stiff competition and tariff discrimination.

Tuticorin smelter of M/s. Vedanta Limited, one of our major Copper Rod suppliers, continued to be shut during the year. M/s. Hindalco Industries Limited (Birla Copper) is the Principal Producer of Copper Cathodes / Copper Rods in India and they operated their plants at high capacity level during the year. Their capacities may not be sufficient to meet the growing demands of the Country.

Due to global factors, supplies of Copper in the International Market are tight. M/s Kutch Copper Limited (Adani Group) is expected to come into production this year but they will take time to ramp up and stabilize. Demand of Copper in the Indian economy is increasing at a healthy rate and is expected to continue doing so. Supply position of Copper in the Indian market may remain tight this year.

Your Company made suitable arrangements with indigenous producers and also supplemented with some imports during the year under review.

Copper prices have sharply increased in April, 2024 and are expected to remain at elevated levels in the current year.

Interest rates rose during the year and remained at high levels, resulting in increase in the finance costs.

Expansion/Modernization Project

During the year under review, we installed and commissioned most of the equipments for our expansion / modernization project of about 9000 MT per year capacity. The remaining equipments are likely to be commissioned and put into commercial production during the first half of the FY 2024-25. Some old capacity was also partly de-commissioned during the year under review as part of ongoing modernization.

We have recently announced a proposed new expansion / modernization project of about 6000 MT per year capacity of various types of Winding Wires for FY 2024-25 at an estimated project cost of Rs.63 crores plus GST as applicable, for which we are in the process of ordering the equipments.

Despite the uncertainty in the market combined with high inflation, volatile raw material prices and high interest rates, your Company has put up a steady and good performance, declared dividends and discharged all its financial / other commitments and obligations on time without any delay or default or moratorium.

The overall economic situation during the current financial year is expected to remain inflationary. Geo-political tensions in the Middle East and Ukraine are expected to stoke inflation and affect supply chains. Commodity prices are likely to be higher. It is expected that in view of this uncertainty, the US Federal Reserve will not loosen their Monetary Policy quickly. Indian interest rates are also likely to remain at elevated levels during the current year. Towards the end of the year

DIRECTORS' REPORT

under review, Copper prices started climbing up and are expected to remain at higher levels during the current year as compared to the year under review. Indian rupee may also remain under pressure, due to the above situation. Due to the above factors, the macro-economic situation will remain challenging.

Domestic demand has remained steady during the year under review.

All figures mentioned are in below in Rs. lakhs.

The Total Revenue from Operations (net of taxes) is Rs. 330169 (303357). PBDIT is 15333 (12835). Finance Cost is Rs 3713 (3290). Depreciation is 1739 (1416). PBT is 9880 (8128). Provision for Tax is 2595 (2179). PAT is 7285 (5949). Other Equity (Excluding revaluation) went up to 48857(43244). Our Current Ratio 1.71 (1.74) and Debt Equity Ratio 0.19 (0.04). Profit after tax during the year were higher by 22%.

4. NUMBER OF BOARD MEETINGS HELD:

During the year under review, 5 (Five) meetings of the Board of Directors were held as under:

DIRECTORS' REPORT

ANNEXURE-I

POLICY FOR NOMINATION, REMUNERATION AND COMPENSATION

1. Legal framework and Objectives:

Section 178 of the Companies Act, 2013 ("Act") read with the applicable Rules thereto, provisions of Regulation 19 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 ('SEBI Regulations') read with Part D of Schedule II of SEBI Regulations (together referred to as "Applicable Laws") require the Nomination and Remuneration Committee ("NRC" or the "Committee") of the Board of Directors of every listed Company, among other classes of companies, to:

- a. Identify persons who are qualified to become Directors and who may be appointed in a KMP or SMP role in accordance with the criteria laid down, and recommend to the Board their appointment and removal;
- b. Formulate the criteria for determining qualifications, positive attributes and independence of a Director;
- c. Devising a policy on diversity of Board of Directors;
- d. Specify the manner and criteria for effective evaluation of the performance of the Board, its Committees and individual Directors. Basis the performance evaluation results of independent Directors, decide whether to extend or continue their term of appointment or not;
- e. Recommend to the Board of Directors a policy relating to the remuneration of the Directors, KMP and other Employees including SMP
- f. Recommend to the Board, all remuneration, in whatever form, payable to Senior Management;

This Policy shall act as a guideline on some of the above-mentioned objectives of the NRC.

2. Definitions

All capitalized terms used in this Policy but not defined herein shall have the meaning assigned to such term in the Act and the Rules thereunder and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), as amended from time to time.

In case of any conflict between this Policy and applicable law, the applicable law (as existing on the date of the concerned transaction) shall prevail.

3. Composition of Committee:

The Members of the Committee will be appointed by the Board and may be removed by the Board in its discretion. These Members will serve until their cessation on the Board of Company or removed by the Board or their Successors have been duly appointed. The Committee shall comprise of at least three Directors and at least two third of the Directors shall be Independent Directors. All Directors of the Committee shall be Non-Executive Directors. However, the Executive Chairperson of the Board (if any) may be appointed as a Member of the Committee but shall not chair the Committee. The Chairperson of the Committee shall be an Independent Director and shall be appointed by the Board. In case the Chairperson is not present at any Committee Meeting, the members present at the meeting shall, amongst themselves, elect a Chairperson for that particular meeting

4. Frequency of meeting and Quorum:

The Committee shall meet at least once in a year and the quorum for the meeting shall be either two members or one third of the members of the Committee, whichever is greater, including at least one Independent Director in attendance.

5. Appointment and removal of Director, KMP and SMP:

The Committee shall evaluate the balance of knowledge, skill, professional & functional expertise, industry orientation, board diversity, age etc. on the Board and, in the light of this evaluation, prepare and recommend to the Board, a description of the role and capabilities required for a particular appointment. For every appointment of Independent Director, the Committee shall:

- a. Evaluate the balance of skills, knowledge and experience on the Board and on the basis of such evaluation, prepare a description of the role and capabilities required of an Independent Director;
- b. Ensure that the person recommended to the Board for appointment as an Independent Director shall have the capabilities identified in such description.

For the purpose of identifying suitable candidates, the Committee may:

1. use the services of an external agency, if required;
2. consider candidates from a wide range of backgrounds, having due regard to diversity; and
3. consider the time commitments of the candidates.

In case of Directors, KMPs and SMPs, in addition to the above specifications, the NRC shall ensure that the potential candidates possess the requisite qualifications and attributes as per the Applicable Laws. Refer Annexure A for the criteria for determining the Independence of Directors in case of appointment of Independent Directors.

6. Board Diversity:

The Committee in its nomination process and while making recommendations to the Board shall endeavor to have an optimum combination of Directors from different fields and gender. The Committee shall operate on the premise that a diverse and inclusive Board will be able to leverage different skills and perspectives which is essential for achieving long-term growth and development. The Committee shall set out the criteria for determining qualifications, positive attributes and independence while evaluating a person for appointment / re-appointment as Director with no discrimination on the grounds of ethnicity, nationality, gender or race or any other such factor. While reviewing the composition of the Board, the Committee will consider the benefits of all aspects of diversity including, but not limited to, those described above.

7. Board Familiarization and Learning:

Regulation 25(7) of the SEBI LODR requires a Company to familiarize the Independent Directors inter alia with the Company and their roles and responsibilities in the Company. Accordingly, the NRC has adopted a structured program for orientation and training of Non-Executive Directors including Independent Directors at the time of their joining so as to enable them to understand the Company - its operations, business, industry and environment in which it operates. The Company has a separately defined Familiarization Program for the Directors which also focusses to update the Directors, on a continuing basis, on any significant changes therein so as to be in a position to take well-informed and timely decisions.

8. Performance Evaluation of the Board, its Committees and Individual Directors:

Each year, the NRC formulates the criteria and the process for evaluation of performance of the Board, individual Directors, Chairperson and the Committees of the Board and recommend the same to the Board. The evaluation shall be carried out either by the Board, Committee or by an independent external agency and the NRC shall review its implementation and compliance with Applicable laws as well as the criteria and process laid out.

The evaluation of the Independent Directors shall be done by the entire Board of Directors which shall include:

- a. performance of the Directors; and
- b. fulfilment of the independence criteria including their independence from the management as specified under Applicable Laws.

Directors who are subject to this evaluation shall not participate in their own evaluation. The Independent Directors of the Company shall hold at least one meeting in a year, without the presence of Non-Independent Directors and Members of the Management and all the Independent Directors shall strive to be present at such meeting. The Independent Directors in their separate meeting shall, inter alia:

1. review the performance of Non-Independent Directors and the Board of Directors as a whole;
2. review the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non-Executive Directors; and
3. assess the quality, quantity and timeliness of flow of information between the Management of the Company and the Board of Directors that is necessary for the Board of Directors to effectively and reasonably perform their duties.

9. Remuneration Criteria:

The Committee will recommend the remuneration to be paid to the Directors, KMPs and SMPs, to the Board for their approval. The same shall be subject to the approval of the Shareholders of the Company and such other approvals, as may be required.

10. Remuneration criteria for Non-Executives Directors:

Non-Executive Directors are eligible for sitting fees and profit related commission in addition to reimbursement of expenses for attending the meetings of the Board and its Committees:

- a. **Sitting Fees:** Non-Executive Directors may receive remuneration by way of fees for attending the meetings of the Board or Committee thereof provided that the amount of such fees shall not exceed Rupees One Lakh per meeting of the Board or Committee or any such amount as may be prescribed under the Applicable Laws from time to time.
- b. **Stock Options:** An Independent Director shall not be entitled to any stock option(s) of the Company.

DIRECTORS' REPORT

11. Minimum remuneration to Directors:

If, in any Financial Year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Directors including Independent Directors in accordance with the provisions of the applicable Laws including Section 197 of the Companies Act, 2013.

12. Succession Planning:

Succession Planning is done to ensure that the affairs of the Company are not impeded on account of events viz; retirement, resignation, death, etc. The NRC shall draft and recommend to the Board a succession plan for the appointments made to the Board as well as KMPs & SMPs. The NRC shall review such plan on an annual basis and recommend revisions, if any, to the Board. The NRC shall work with the management and follow the following process for effective succession planning:

- a. Assessment of potential employees and creation of a leadership pool.
- b. Development of the talent pool through actions such as involvement in strategic meetings, leadership workshops with top management, coaching, anchoring, job rotations, role enhancement, council memberships and involvement in cross function projects etc.

13. Directors' and Officers' Insurance:

The Company will take Directors & Officers Insurance for all its Directors and Officers for such quantum and such risks as may be decided by the Company on behalf of its Directors, KMPs, SMP etc. for indemnifying them against any liability and the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel.

14. Interpretation and amendments in Law:

The Board of Directors may, on recommendation of the NRC and in their discretion, make any changes/modifications and/or amendments to this Policy from time to time. Unless the context otherwise requires, words and expressions used in this Policy and not defined herein but defined in the applicable Laws, as may be amended from time to time, shall have the meaning respectively assigned to them therein. In the event of any conflict between the provisions of this Policy and the applicable Laws or any other Statutory Enactments, Rules, shall prevail over and automatically be applicable to this Policy and the relevant provisions of the Policy would be amended/modified in due course to make it consistent with the law.

a) Industry Structure & Development:

The company produces winding wires made of copper used in the manufacture of both rotating and static electrical equipment. There are numerous players in the industry, including many in SSI / MSME sectors and intense competition prevails. However, due to the quality of our products and long-standing relationships with customers, we continue to remain the industry leader and the preferred choice for demanding customers. The company primarily caters to the OEM sector.

India has been investing substantial amounts in infrastructure projects, including transportation systems, power, railways, electronics, auto, refrigeration, and air-conditioning sectors, etc.

India has a youthful population with a large percentage in the working-age group. Improved overall connectivity will enhance development and spur economic growth in semi-urban and rural areas. Emphasis on higher education, health, safety, and quality are now high priorities among consumers.

Consequently, in the long term, demand for electrical equipments, auto electricals, appliances, air conditioning, refrigeration, and the automotive sector has increased. Rising incomes, increasing urbanization, and growth in financial, infrastructural, power, and other sectors may stimulate demand in the foreseeable future. The company will focus on prudent and timely capacity enhancements, modernization, quality, and process-upgradation in the coming years.

b) Opportunities and Threats

India continues to make substantial investments in infrastructure, including roads, power generation, transmission, distribution, and the digital economy. These investments are expected to enhance overall connectivity and stimulate development in semi-urban and rural areas.

In the long term, there will be increasing demand for electrical equipment, appliances, air conditioning, refrigeration, automotive and infrastructure sectors. Our products are primarily used, in the manufacture of all rotating and static electrical equipments. As of 2023, electric vehicles account for only about 2% of total four-wheeler auto sales, indicating initial adoption of indigenous electric/hybrid vehicle technologies is likely to persist for some time. Government policies such as the vehicle scrapping scheme and specific incentives under the 'Make in India' initiative are expected to stimulate growth. The long-term prospects of our industry appear promising.

Geo-political disturbances in the Middle East and Europe, along with recent attacks on ships in the Arabian Sea/Red Sea area, have led to increased costs. If these disruptions persist over a prolonged

period, they could potentially impact supply chains, exports, and lead to inflation, uncertainty, and disruptions. Furthermore, domestic interest rates are currently high. Despite these challenges, the Indian government has effectively managed well the stability of the Rupee, within a narrow groove. However, there is a possibility of further weakening of the Indian Rupee, if current accounts deficit increases. These factors may contribute to a moderation in consumption and economic growth in the short term.

Domestic demand of copper is, at present higher than production. Imports may increase. At the end of the year under review, international and domestic copper prices, our primary input, have increased and are expected to remain elevated and volatile in the current fiscal year. As a matter of policy and to mitigate market risks, our company typically engages in back-to-back transactions for copper purchases to fulfill sales orders for finished goods.

However, thanks to our low debt gearing ratio, good liquidity position, and extensive industry experience, we are optimistic about our long-term performance, barring any unforeseen developments.

c) Segment-wise or Product-wise performance

The Company's core activity is production and sale of only one product i.e. Winding Wires made of copper. Production and Revenue from Operations during FY 2023-24 were higher.

d) Outlook

The outlook of the economy for the current year may be slightly challenging due to Geo-political factors, inflation and high interest rates, which may cause disruptions in supply chain, sudden shortages and the uncertain global economic environment may affect the demand in the Indian economy.

e) Risks and Concerns

Please refer foregoing paragraphs

f) Internal Control Systems and their adequacy

Commensurate with the size of your Company and nature of its business, your Company has adequate internal control procedures and regular Internal Audit systems. This has been confirmed by the Auditors in their report to the members.

g) Discussion on Financial Performance with respect to Operational Performance (all figures rounded off in Rupees Lakhs only): (Previous Year's figures restated as per IND AS as applicable)

There was increase in Cost of Power and Fuel 3461.42 (3293.08), Packing Materials 1772.31 (1623.59), Freight and Transportation 2218.53 (2262.69), Salary, Wages, Bonus, etc. 3810.72

MANAGEMENT DISCUSSION & ANALYSIS REPORT

(3293.58), Term Loan from Bank 2691(1616.70), Finance costs 3713.26 (3290.64), PBT 9880.42 (8128.33), Provision for Tax (including deferred tax) 2595.04 (2179.02) and PAT 7285.38 (5949.31) was higher.

Your Company has been consistently paying handsome dividend since more than ten years. Two installments of Interim dividend for year under review, amounting to total 60% on the fully paid-up equity share of Rs. 1/- each, was declared and paid earlier. Directors have further announced the proposal to pay final dividend of 45% for FY 2023-24, aggregating to a total dividend of 105% subject to the approval of the members at the ensuing Annual General Meeting.

Fiscal Ratios, viz., Current Ratio and Debt Equity ratios are comfortable. Reserves and Surplus as at 31st March, 2024 has increased to Rs. 48857.46 (Rs. 43244.24).

h) Material Developments in Human Resources / Industrial Relations including number of people employed

Industrial Relations during the year were generally satisfactory.

i) Cautionary Statements

Statements in this Management Discussion and Analysis describing the company objectives, estimates and expectations may be Forward Looking statements within the meaning of applicable laws and regulations. Actual performance may differ substantially or materially from those expressed or implied.

Mahendra R. Mehta,
Chairman and Director

Mumbai, 18th May, 2024

To
The Members of
Precision Wires India Ltd.

Opinion

We have audited the accompanying Standalone Financial Statements of **Precision Wires India Limited ("the Company")**, which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and Notes to the Standalone Financial Statements and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us,

- i) the Statement, together with the notes thereon are presented in the format prescribed under Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- ii) the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

Assessment of Recoverability of Trade Receivables

The aggregate Trade Receivables as at 31st March, 2024 were Rs. 42,172.01 lakhs which are mostly unsecured and constitute approx. 39.71% of the Gross Assets of the Company.

The Company reviews the recoverability of the Trade Receivables periodically including at the Balance Sheet Date. Receivables which are not expected to be recovered are

written off as Bad Debts. In addition to the Bad Debts written off, provision is made in the Accounts for Expected Credit Loss based on past record of irrecoverable Trade Receivables.

We have considered this to be a key audit matter as the amount of Trade Receivables are mostly unsecured and constitute the largest component of the Balance Sheet and therefore have a significant impact on the financial position of the Company.

How the Audit addressed the Key Audit matters

The audit procedures included, amongst others, review of age analysis of Trade Receivables, review of Trade Receivables overdue by more than a certain period, discussion with management of the reasons for such overdue trade receivables and the efforts made for recovery of the same.

The audit procedures also include, checking recovery of Trade Receivables as at Balance Sheet Date, subsequently, up to the date of the audit.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objective is to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in the aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in :

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance of the Company, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, We determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, We determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
 - A. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) in our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act and Rule 7 of the Companies (Accounts) Rules, 2014;

INDEPENDENT AUDITOR'S REPORT

- e) on the basis of the written representations received from the directors of the Company as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The Management has represented that, to the best of its knowledge and belief, as disclosed in notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by Company to or in any other person(s) or entity(ies), including foreign entities ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under clause (i) and (ii) of the Rule 11(e) contain any material mis-statement
- v)
 - a) The interim dividend declared and paid by the Company during the year and until the date of this audit report is in accordance with the Section 123 of the Companies Act, 2013.
 - b) The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.
- As stated in the notes to the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
- vi) The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rule, 2014 is applicable from 1st April, 2023. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account, which have a feature of recording the audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the respective software.
- Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software , we did not come across any instance of the audit trail feature being tampered with..

INDEPENDENT AUDITOR'S REPORT

ANNEXURE - A TO INDEPENDENT AUDITOR'S REPORT

With reference to the Annexure A of the Independent Auditors' Report or even date to the members of **Precision Wires India Limited** on the financial statements for the year ended March 31, 2024.

- (i) a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of Intangible Assets;
- b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and we are informed that no material discrepancies have been noticed on such verification.
- c) The title deeds of immovable properties (other than properties are where the Company is a lessee and lease agreements are duly executed in the name favour of the lessee), are held in the name of the Company.
- d) The Company has not revalued its Property, Plant and Equipment (including the Right of Use assets) or intangible assets or both during the year;
- e) No proceedings have been initiated or are pending against company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder;
- (ii) (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the years except in respect of inventories of returnable plastic spools lying with customers. In our opinion, the frequency of verification is reasonable. No discrepancies of 10% or more in aggregate for each class of inventory were noticed on physical verification.
- (b) Based on our examination of the records provided by the management, the Company has working capital facilities from banks which are secured against its stock and book debts. The Company regularly submits the quarterly returns/statements with the bank. On Comparison of the returns/statement so filed with the banks and the books of accounts of the Company, certain minor discrepancies are observed. However the same are not material in terms of value as compared to the nature and size of the Company.
- (iii) (a) During the year, the Company has not made any investments, provided any guarantee or security, granted any loans, secured or unsecured to companies, firms or Limited Liability Partnerships or to any other parties listed in the register maintained under Section 189 of the Act.
- b) As the Company has not granted any loans, secured or unsecured, to parties referred to in para (a) above, clause iii (b) of paragraph 4 of the Order is not applicable in this respect.
- c) As the Company has not granted any loans, secured or unsecured, to parties referred to in para (a) above, clause iii (c) of paragraph 4 of the Order is not applicable in this respect.
- d) As the Company has not granted any loans, secured or unsecured, to parties referred to in para (a) above, clause iii (d) of paragraph 4 of the Order is not applicable in this respect.
- e) As the Company has not granted any loans, secured or unsecured, to parties referred to in para (a) above, clause iii (e) of paragraph 4 of the Order is not applicable in this respect.
- f) As the Company has not granted any loans, secured or unsecured, to parties referred to in para (a) above, clause iii (f) of paragraph 4 of the Order is not applicable in this respect.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the investments made.
- (v) The Company has not accepted any deposits from the public within the meaning of Sections 73 and 74 of the Act and the Rules framed there under. Hence the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under, are not applicable to the Company. According to the information and explanations given to us, no order under the aforesaid sections has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- (vi) Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148 (1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues in respect of Goods and Service Tax, provident fund, employees' state insurance, income tax, duty of customs, cess and other statutory dues, as applicable, with the appropriate authorities.
- b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of sales-tax including value added tax, duty of customs and duty of excise as at March 31, 2024 which have not been deposited on account of a dispute, are as follows :- **NIL**
- (viii) There were no transactions which were not recorded in the books of accounts that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).
- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;
- b) The Company is not declared as wilful defaulter by any bank or financial institution or other lender.
- c) In our opinion, and according to the information and explanations given to us, the term loans have been applied for the purposes for which they were obtained.

INDEPENDENT AUDITOR'S REPORT

- d) In our opinion and according to the information and explanation given to us, no funds raised on short term basis have been used for long-term purpose by the Company.
- e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures;
- f) The Company does not have any Subsidiary, Joint Venture or Associate Company and hence, reporting under clause 3(ix)(f) of the Order is not applicable.
- (x) a) No moneys were raised by way of initial public offer or further public offer (including debt instruments) during the year hence reporting under this clause is not applicable to the Company;
- b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or operationally convertible) during the year;
- (xi) a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given us. We have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) According to the information and explanation given to us, Company has not received any whistle blower complaints during the year;
- (xii) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it; the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- (xiii) The Company has entered into transactions with related parties in compliance with the provision of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- (xiv) a) In our opinion and as per the records examined by us, the company has an internal audit system commensurate with the size and the nature of its business;
- b) We have considered the report of the internal auditors for the period under audit;
- (xv) The Company has not entered into any non cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- (xvi) a) The Company is not required to be registered under Section 45-1A of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi)(a), (b) and (c) of the Order are not applicable to the Company.
- b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred any cash losses in the financial year and in the immediately preceding financial year;
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) is not applicable;
- (xix) Based on our examination financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, knowledge of the Board of Directors and management plans, no material uncertainty exists as on the date of the audit report that the company is not capable of meeting its liabilities existing at the date of the balance sheet as and when they fall due within a period of one year from the balance sheet date. We however state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) a) There are no unspent amounts of Corporate Social Responsibility (CSR), requiring transfer to a fund specified in Schedule VII to the Companies Act. Accordingly, reporting under Clause 3(xx)(a) of the Order is not applicable for the year;
- b) The Company does not have any amount remaining unspent, requiring transfer to any special account. Accordingly, reporting under Clause 3(xx)(b) of the Order is not applicable for the year.

INDEPENDENT AUDITOR'S REPORT

ANNEXURE - B TO INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls under Clause (we) of Sub-section 3 of Section 143 of the Companies Act, 2013.**

We have audited the internal financial controls over financial reporting of **Precision Wires India Limited ("the Company")** as of 31st March 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

Internal Financial Controls Over Financial Reporting means a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

During the IPO process in the year 1992/93 Sixteen (16) investors were allotted 100 (One Hundred) Equity shares of Rs. 10/- each, for which the application money of Rs. 5/- for each share was received by the Company and Rs. 5/- per share was balance call.

Despite of the reminders sent by the Company to the Shareholders, followed by the public notices in the News Papers, the said 16 shareholders did not remit the balance amount of the call money of Rs. 5/- each per share to the Company for a period of more than three years. Therefore subsequently as per the provisions of the then Companies Act, 1956 the Board of Directors of the Company passed the resolution to forfeit the said 1600 Equity Shares.

The Company later in the year 2016 sub-divided each equity shares of the face value of Rs. 10/- each, fully paid up into Two Equity Shares of Rs. 5/- each fully paid up. Hence 1600 equity shares forfeited in 1996 has been considered as 3200 forfeited Equity Shares by the Company. In the year 2021-22 too, each Equity Share of the face value of Rs. 5/- was sub-divided into Five Equity Shares of Rs. 1/- each. Consequently the said 3200 forfeited shares has been considered as 16000 forfeited Equity Shares by the Company.

During F.Y.2022-23, the Company allotted 5,78,18,115 Bonus Equity Shares in the ratio of 1 : 2 to the Equity Shareholders holding shares as on 23.12.2022, being the record date.

During F.Y. 2022-23, on 27.03.2023, the Company allotted 52,03,630 Equity Shares of Rs. 1/- each, on preferential basis, at a price of Rs. 73.41 per Equity Share (including premium).

NOTE 27 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

A. COMPANY INFORMATION

Precision Wires India Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956 (CIN: L31300MH1989PLC054356) having its registered office at Saiman House, J A Raul Street, Off Sayani Road, Prabhadevi, Mumbai-400 025. The company is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange India (NSE) in India. The Company is engaged in manufacturing of Enamelled Round and Rectangular Copper Winding Wires, Continuously Transposed Conductors (CTC) and Paper/Mica/Nomex Insulated Copper Conductors (PICC) which are used by the electrical/electronics industries.

B. SIGNIFICANT ACCOUNTING POLICIES

1. Statement of Compliance with Ind AS:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by the Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) Amendment Rules, 2016, Companies (Indian Accounting Standards) Amendment Rules, 2017, Companies (Indian Accounting Standards) Amendment Rules, 2018, Companies (Indian Accounting Standards) Amendment Rules, 2019, Companies (Indian Accounting Standards) Amendment Rules, 2020 and Companies (Indian Accounting Standards) Amendment Rules, 2021.

The Financial Statement of the Company have been prepared to comply with the Indian Accounting Standards (Ind AS), including the Rules notified under the relevant provision of the Companies Act, 2013.

2. Basis of Preparation of Financial Statements:

The Financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Schedule III to the Companies Act, 2013. Based on the nature of the products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of classification of assets and liabilities as current or non-current.

3. Use of Estimates:

The preparation of financial statements in conformity with Ind AS requires the management of the Company to make estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. These estimates are based upon management's best knowledge of current events and actions. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

4. Property, Plant and Equipments:

(i) Property, Plant and Equipment is stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss during the period in which they are incurred.

(ii) The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy.

(iii) Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

(iv) Property, plant and equipment which are not ready for intended use as on date of Balance Sheet are disclosed as 'Capital Work-in Progress'.

(v) Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 :

The management estimates the useful life of certain assets as follows:

Wire Enamelling Machines & Material Handling Equipments	08 years
Other Plant and Machinery	15 years
Building	30 years
Office Equipments	05 years
Computers	03 years
Furniture and Fixtures	05 years

Freehold land is not depreciated.

Assets Costing Rs. 5,000 or less are fully depreciated in the year of purchase.

(vi) Depreciation on additions to assets or on sale of assets as the case may be is calculated pro-rata from the month of such addition or up to the month of such sale.

(vii) Assets scrapped / discarded from use and held for disposal, if any, are stated at lower of book value or their estimated net realisable value.

5. Intangible Assets :

Separately purchased Intangible assets are initially measured at cost. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their estimated useful lives.

The management estimates the useful life as follows :

Technology Transfer Cost : 6 Years

NOTE 27 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

6. Impairment of Assets :

An asset is treated as impaired when the carrying cost of assets exceeds its estimated recoverable value. The recoverable amount is greater of the Fair Value less cost of disposal and Value in use. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired assets over its remaining life.

7. Non-Current Assets held for Sale :

The Company classifies Non-Current Assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use of the assets and the actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets or disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell Property, Plant and Equipment and intangible assets are not depreciated or amortised once classified as held for sale.

8. Financial Instruments:
Investments

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value. In case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Financial assets subsequently classified as measured at

- Amortised Cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI)

All Investment in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

9. Trade Receivables :

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

Loss allowance for expected life time credit loss is recognised on initial recognition through Profit and Loss Account.

10. Cash and cash Equivalents :

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

11. Inventories :

- (i) Inventories are valued on FIFO basis at lower of cost or estimated net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at cost or above cost.
- (ii) Cost of Work in progress includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.
- (iii) Cost of finished goods and work in progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.
- (iv) Scrap is valued at Net Realisable Value.

12. Financial Liabilities :

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

13. Provisions, Contingent Liabilities and Contingent Assets :

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are neither disclosed nor recognised.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet Date.

NOTE 27 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

14. Taxes on Income :

Income Tax Expense Comprises of Current Tax and Deferred Tax.

(i) Current Taxes :

It is recognised in the Statement of Profit and Loss except to the extent it relates to an item which is recognised directly in equity or in other comprehensive income. Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years, income/ expenses and penalties, if any, related to income tax are included in current tax expense.

(ii) Deferred Taxes :

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

15. Revenue Recognition :**(i) Sale of Products :**

The Company earns revenue primarily from sale of Products. As per Ind AS 115 Revenues are recognised when the company satisfies the performance obligation by transferring product to the customer. A product is transferred when the customer contains control of that product, which is at the point of transfer of custody to customers where usually the title is passed, provided that the contract price is fixed or determinable and collect ability of the receivable is reasonably assured.

Revenue is measured at the transaction price of the consideration received or receivable and represents amounts receivable for goods provided in the normal course of business, net of discounts, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Any retrospective revision in prices is accounted for in the year of such revision.

(ii) Interest Income :

Interest income is recognised on time proportion basis.

(iii) Other Income :

(a) Dividend : Dividend on Investments is accounted when received.

(b) Insurance Claim : Insurance claim receivable is recognised in the year of the loss to the extent ascertainable.

(c) Any Other Income is recognised in the Statement of Profit and Loss Account as and when accrued.

(d) In cases where duty paid material are consumed prior to duty free import of material for manufacture of products for export, the estimated excess cost of such material over that of duty free material, is carried forward and charged to revenue on consumption of such duty free materials.

16. Expenditure :

Expenditure are generally accounted on accrual basis as they are earned or incurred, except those with significant uncertainties.

17. Employee Benefits :**Defined Contribution Plans**

Contributions to defined contribution schemes such as provident fund, etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions

Defined benefit plans

Defined Benefit plans comprising of gratuity are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Net interest on the net defined liability is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the statement of profit and loss.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (excluding net interest as defined above) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income in the period in which they occur. Remeasurements are not reclassified to profit and loss in subsequent periods.

The Company contributes all ascertained liabilities with respect to gratuity to Life Insurance Corporation of India (LIC).

The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

In respect of certain employees who are unfunded through the approved trust, the gratuity liability is provided as per the actuarial valuation.

Gain or loss on account of actuarial valuation is routed through other comprehensive income.

Short-term employee Benefits

Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised, undiscounted, during the period the employee renders services. These benefits include salary, wages, bonus, performance incentives etc.

NOTE 27 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

Other long-term employee benefits

Other long-term employee benefit comprises of leave encashment towards un-availed leave and compensated absences; these are recognized based on the present value of defined obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted as current employee cost. The monetary value of leave encashment benefit is for the Factory Workers and is accounted on the basis of actuarial valuation.

The employees, other than factory workers are not permitted to carry forward their leaves beyond a period of one year and hence the liability if any arising on such employees would be of short term nature and shall be accounted on actual basis as and when paid.

18. Earnings Per Share :

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving the basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

19. Leases :

At the commencement date of a lease, the company will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). It will be separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. As per the provisions of Ind AS 116 the company does not recognise the Lease Liability and right to use of underlying assets for the Leases which are for period of less than 12 months or are for a 'low value' assets.

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards incidental to the ownership of an asset to the Company. All other leases are classified as operating leases.

Assets acquired on leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the Statement of Profit and loss.

Operating lease payments are recognized as prepayments and amortized on a straight-line basis over the term of the lease. Contingent rentals, if any, arising under operating leases are recognized as an expense in the period in which they are incurred.

20. Foreign Currency Transactions :

The financial statements are presented in INR, the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency').

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions, and from translation of monetary assets and liabilities at the reporting date exchange rates are recognised in the Statement of Profit and Loss.

Premium or discount on Foreign Exchange Forward Contracts are charged to the Profit and Loss Account alongwith gain / loss on forward cover contract.

21. Derivative Instruments and Hedge Accounting :

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. The method of recognising the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged.

The Company designates certain derivatives as either:

- (a) hedges of the fair value of recognised assets or liabilities or a firm commitment (fair value hedge); or
- (b) hedges of a particular risk associated with a recognised asset or liability or a highly probable forecast transaction (cash flow hedge).

The Company documents at the inception of the transaction the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategy for undertaking various hedging transactions. The Company also documents the nature of the risk being hedged and how the Company will assess whether the hedging relationship meets the hedge effectiveness requirements (including its analysis of the sources of hedge ineffectiveness and how it determines the hedge ratio).

The full fair value of a hedging derivative is classified as a non-current asset or liability when the residual maturity of the derivative is more than 12 months and as a current asset or liability when the residual maturity of the derivative is less than 12 months.

Fair value hedge

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recorded in the statement of profit and loss, together with any changes in the fair value of the hedged item that are attributable to the hedged risk.

Hedge accounting is discontinued when the Company revokes the hedging relationship, when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to the statement of profit and loss from that date.

22. Cash Flow Statement :

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

2. (G) Employee benefits:

In accordance with the stipulations of the Ind AS 19 "Employee Benefits", the disclosures of employee benefits as defined in the Indian Accounting Standard are given below :

a. Defined Contribution Plan :

The Company makes contribution towards Employee Provident Fund. The Company is required to contribute specified percentage of payroll cost.

The Company has recognised the following amounts in the Statement of Profit and Loss :

Particulars	(Amount Rs. in Lakhs)	
	For the year ended 31 st March, 2024	For the year ended 31 st March, 2023
Employers Contribution to Provident Fund	52.75	35.67
Employers Contribution to Employees Pension Scheme 1995	92.54	77.72
TOTAL	145.29	113.39

b. Defined Benefits Plan :

Gratuity :

15 days salary for each completed year of service. Vesting period is 5 years and the payment is at actual on superannuation, resignation, termination, disablement or on death. The liability for gratuity as above is recognised on the basis of actuarial valuation.

The Company makes contribution to LIC for gratuity benefits according to the Payment of Gratuity Act, 1972.

The Company recognizes the liability towards the gratuity at each Balance Sheet date.

The most recent actuarial valuation of the defined benefit obligation for gratuity was carried out at March 31, 2024 by an actuary. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Scheme is funded through LIC.

These plans typically expose the Company to actuarial risks such as: Investment risk, Mortality risk, Concentration risk, Salary risk and Asset Liability Matching risk.

Investment Risk	The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.
Interest Rate Risk	A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.
Mortality Risk	Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.
Salary Risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.
Concentration Risk	Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.
Asset Liability Matching Risk	The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	As At 31 st March, 2024	As At 31 st March, 2023
Mortality	Indian Assured Lives Mortality (2012-14) Ultimate (p.a.)	Indian Assured Lives Mortality (2012-14) Ultimate (p.a.)
Withdrawal Rates	2.00%	2.00%
Discount Rate	7.21%	7.49%
Salary escalation rate	5.00%	5.00%
Rate of Return on Plan Assets	7.21%	7.49%

Sensitivity analysis as for gratuity

Significant Actuarial Assumptions		
Discount Rate		
Up by 1%	(61.59)	(51.62)
Down by 1%	71.90	60.00
Salary Escalation		
Up by 1%	72.79	60.92
Down by 1%	(63.35)	(53.23)
Withdrawal Rate		
Up by 1%	12.75	12.19
Down by 1%	(14.52)	(13.84)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitive analysis, the present value of projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the Balance Sheet

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

3. Derivative Instruments and Unhedged Foreign Exposures:

In respect of the import of raw materials and equipments, the Company used forward cover contracts to hedge its exposure to the movements in foreign currency exchange rates. Such forward covers are used to reduce the risk which may result from foreign currency rates fluctuations and is not used by the company for trading or speculation purposes. The Company's activities exposes it to various risk such as market risk, liquidity risk and credit risks. This section explains the risks which the Company is exposed to and how it manages the risks.

A. Market Risk

The Winding Wire business works on focusing on processing margins. The risk of variation in purchase price of the input copper and sales price of Finished Goods, which is linked to the same international pricing benchmarks, is managed by entering into back to back transactions for input copper purchase against sales order booked. The aforesaid method is generally adopted for all sales transaction other than sale to Dealer market which is less than 10% of the Company's sale in quantity as well as value terms.

B. Foreign Currency Risk

The Company may also have Foreign Currency Exchange Risk on procurement of Capital Equipment(s) for its Businesses. The Company manages this forex risk, using derivatives, wherever required, to mitigate or eliminate the risk. The Company may also have Foreign Currency Exchange Risk on Foreign Currency denominated Borrowings for its Businesses. The Company manages this forex risk, using derivatives, wherever required, to mitigate or eliminate the risk.

C. Liquidity Risk

The Company determines its liquidity requirements in the short, medium and long term. This is done by drawing up cash forecast for short and medium term requirements and strategic financing plans for long term needs.

The Company manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has arranged for diversified funding sources and adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a regular basis. Besides, it generally has certain undrawn credit facilities which can be accessed as and when required; such credit facilities are reviewed at regular intervals.

The Company had access to the following undrawn borrowing facilities at the end of the reporting period: (Rs. in Lakhs)

Particular	As at 31.03.2024	As at 31.03.2023
Cash Credit facilities with Banks	11,150.00	16,650.00

Undrawn limit has been calculated based on the available drawing power and sanctioned amount at each reporting date.

D. Credit Risk

Credit risks is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligation, and arises principally from the Company's receivables from customers.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix. The provision matrix at the end of the reporting period is as follows:

Particulars	0 - 3 months	3 - 6 months	6 - 9 months	9 - 12 months	above 12 months	Total
